A Fair on Paper, Print & Packaging

3P Expo:

A fair exclusively on Paper, Printing and Packaging Technology and material is being brought out by one of the largest MSME associations in India to address the ever growing needs of the industries of this region.

The Organiser

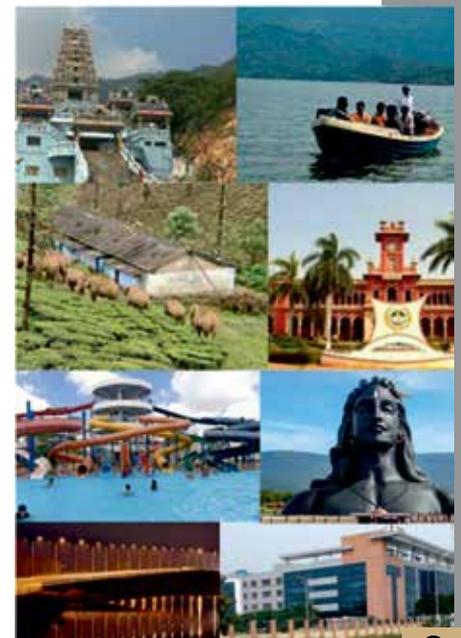

CODISSIA
Intec Technology Centre

CODISSIA Intec Technology Center is a Trust formed by the Coimbatore District Small Industries Association (CODISSIA) and owns the CODISSIA Trade Fair Complex. Inaugurated in the year 2000, CODISSIA Trade Fair Complex is the first Trade Fair Complex in South India and the Second in India built with the following objectives:

- 1) To promote and create infra-structural facilities for conducting Trade Fairs, Industrial Exhibitions, Buyer-Seller Meets, Seminars, conventions, Conferences, Workshops and such other activities needed for the growth of regional economy.
- 2) To carry out scientific and technological research and development work on product, process and services.
- 3) To promote, establish and manage a Trade Center to assist the industries in identifying the sources for Export, Import and Technology Transfers and Collaborations.

Host City Coimbatore:

- Coimbatore is a major metropolitan city in Tamil Nadu
- It is the fastest developing tier II city with the emergence of tier III cities in the region
- Most industrialized district in Tamil Nadu with over 1,00,000 MSME units
- India's major hub for manufacturing of auto components, motor pump sets, wet grinders, foundries and varied engineering products and services
- Vibrant exports of textiles and hosiery earned Coimbatore the name "Manchester of South India"
- A major seat of education with approx. 800+ colleges, 1600+ schools with many more coming
- A preferred destination for medical tourism with over 1000 hospitals
- The city well connected by road, rail and air.
